

## Bookstore:

1. As an administrator in the bookstore, I want to check if a book is available at the library and hasn't been loaned in more than 6 months so I can request the library to send the book to the bookstore.
2. As an administrator, I want to be able to request a book from the library so I may sell it to a student
3. As an employee in the bookstore, I want to be able to search the inventory so I can know what items are currently in stock.
4. As an employee in the bookstore, I want to sell a book to a student so they may purchase a book.
5. As an administrator I want to order more books, so I can update my inventory.
6. As an administrator, I want to stock up on professor's written course handbooks so that students in that class can purchase them.
7. As an employee, I want to be able to place an order for a specific book so it can be sold to a particular student.
8. As an administrator, I want to be able to set the working hours of employees so that I can manage them.
9. As an employee, I want to be able to view the working hours of my fellow employees so that I can coordinate with them.
10. As an employee, I want to be able to reserve an in-stock book for a student so they can come and purchase it later.
11. As an employee, I want to be able to reserve an out-of-stock book for a student so they can come and purchase it when it is back in-stock.
